

**School Field Trips at Schiff Nature Preserve
Program Request & Planning Form**

Schiff's field trip programs are offered year-round and combine hikes and hands-on, nature-based activities that introduce students in grades K-5 to their local environment. Please complete this form and return it to us with your check made payable to Schiff Natural Lands Trust. This will secure your field trip date and help us to plan your program. Please also download the "Preparation Checklist for Teachers" to assist you in preparing for a wonderful and safe educational experience. We look forward to your visit.
