

Schiff's 17th Annual Environmental Film Festival SPONSOR FORM Independent & Inspiring Films Saturday, June 6th, 2026

Since 2009, Schiff's Environmental Film Festival has offered a truly unique outdoor film event that our members, neighbors, and friends look forward to each year. This year, we are switching it up a bit. Folks can enjoy a hayride or hike through the preserve to the Amphitheatre. Used for our music concerts each year, the Amphitheatre setting provides us with a shorter hike/hayride to the venue, built in seating, and a beautiful backdrop of the woods. A real community event, we encourage mingling and conversation and BYOB picnicking before the movie. With Mendham Troop 1 to assist in providing the salty fresh popcorn, we will welcome ***Cream of the Crop***, a local ice cream cart offering FREE ice cream for all our guests. Our short film will be presented to us by the **Mendham Alliance for Preservation & Conservation (MAPC)**. The feature film maker and director, Jared Flesher will join us for Q & A. This event is a great opportunity for sponsors to promote their services and show their support for Schiff!
